Hello Cairo,

I wanted to give you a heads up. I recommended you as a possible contact to Dafne Jacobs one of the case managers for the organization Los Angeles Hospitality Training Academy <http://lahta.org/> .

I'm interested in partnering up with them and having them offer some small business food and hospitality worker trainings as well as of creating a training program for small restaurant owners on the BID.

If it's alright with you I want to send them your contact information.

Sincerely,

Moises Gomez

BLQ BID Program Manager

Hi Moises,

It was great to meet with you today and talk about our shared goals. I believe we had some great ideas on opportunities to work together.

I would love to start by getting in contact with the owner of the hardware store that is going out of business. We may even be able to introduce him to the Business Source Centers who could help him navigate how to properly close out his accounts, etc.

It would also be great if you could help us get in contact with the Field Representatives/Deputies that you mentioned from the two council offices, as well as the Korean Culinary School and the Korean Church you mentioned. We would love to meet with anyone else you can think of that may be helpful in achieving our objectives.

Finally, I will run the idea of creating a training for small businesses including everything we mentioned by our Executive Director Adine today or tomorrow and I would love to have a follow up meeting with you to start nailing down the details. We could eventually include the Magnolia Place Initiative and see if they, along with Union Bank, could help us with some of the financial training. Are you available to meet the week of July 9th or the week after that?

Please let me know if there is anything I left out and if there is anything you need from us.

Thanks again for coming to tour our facilities. Looking forward to continuing to work with you!

Dafne Jacobs

Case Manager

Hospitality Training Academy (HTA)
